OHIO'S STATE BOARD OF REGISTRATION FOR PROFESSIONAL ENGINEERS AND SURVEYORS

Continuing professional development (CPD) activity log

4012-2012

All CPD activities and courses must be relevant to the practice of engineering or surveying and include technical, ethical or managerial content.

This form is **required** for tracking your CPD hours for Ohio P.E. and P.S. registration annual renewal. This form does **not** replace copies of your certificates of completion or other documentation required by Ohio Revised Code **section 4733.151**. Fifteen CPD hours are required for Ohio registration renewal. A maximum carryover of 15 CPD hours are allowed per year. For information about the Board's CPD requirements, go to our website at **www.peps.ohio.gov/ContinuingEducation.aspx**.
