

Surveying courses worksheet

1012

This worksheet must be completed by applicants seeking eventual registration in Ohio as a Professional Surveyor who do **not** have a B.S. degree in surveying. Ohio R.C. **section 4733.11(B)** allows an applicant with an EAC/ABET-accredited B.S. degree in Civil Engineering (B.S.C.E.) to be eligible for eventual registration as a Professional Surveyor if the applicant has completed 24 quarter hours (or 16 semester hours) of Board-approved surveying courses, including at least 8 quarter hours (or 6 semester hours) of courses in property surveying. The course category requirements are listed below. **This form must be accompanied by original transcripts showing a B.S.C.E. degree and completion of the courses listed herein. Underline the surveying courses on your submitted transcripts.**

⁴ List any upper level courses

QTR ▲ SEM
Must be at least
24 quarter hours or
16 semester hours

QTR ▲ SEM
Must be at least
8 quarter hours or
6 semester hours

IMPORTANT! This surveying courses worksheet assumes that all required college/university prerequisites to the issued courses and/or subject areas were completed in the B.S.C.E. program. Courses such as surveying fundamentals, computer, and CAD courses not part of the B.S.C.E. program, may be required as bridge work by the academic institution offering the required courses in the form of a certification program.
