**State Board Accepts Settlement Agreement**

At its meeting on July 20, 2011 the Ohio State Board of Registration for Professional Engineers and Surveyors accepted a settlement agreement from **Charles R. Miller, P.S.**

Charles R. Miller, P.S., a resident of Portsmouth, Ohio, failed to correct a boundary survey he performed in a timely manner and failed to cooperate in the Board's investigation of a complaint by not responding to the Board's request for information. In order to avoid further administrative action for violations of the Ohio Revised Code Miller entered into a settlement agreement wherein he agreed to comply with the laws and rules governing the practice of surveying, pay a \$1000.00 fine and receive a reprimand.
