Board Accepts Settlement Agreement

At its meeting on April 10, 2008 the State Board of Registration for Professional Engineers and Surveyors accepted a Settlement Agreement from **Kevin Blaine, P.S. of Newark, Ohio.**

In January 2008 the Board opened an investigation after learning that Mr. Blaine's professional surveyor registration had expired on December 31, 2006 and during the period that his registration was expired he provided professional surveying services in Ohio.

Mr. Blaine entered into a Settlement Agreement with the Board in which he agreed to a *Letter of Reprimand* issued by the Board, agreed to pay a \$2000.00 fine and agreed to renew his professional surveyor registration annually on or before the last day of December each year.
